Educational Foundation For Minden Students

MINDEN — An educational foundation has been started in Minden to assist graduates of the Haliburton County District High School who wish to continue their education but who, because of financial circumstances would not otherwise be able to continue their duties.

The official title is The Minden Old Boys' Educational Foundation and all former Minden students are asked to give a generous donation to build a fund sufficient to assist ambitious young students.

The Minden High School students have contributed \$200 to the fund.

Invitations are being forwarded to as many former students of the old Minden Model and Continuation Schools as can be located, to attend a Reunion at the Minden Recreation Centre on Friday night, June 26th, at

8 o'clock. Unfortunately, the records kept at the school between the years 1909 and 1930 are not complete, so it will be impossible to forward invitations to many old pupils who attended during that period. Anyone who is an Old Boy or Girl of the Minden School is invited to attend. Come out and get re-acquainted with your old classmates.

The Old Boys Educational Foundation Committee is composed of the following — Messrs. Walter Welch, Jack Jackson, Clayton Rogers, Walter Noice and Misses Shirley Dawson, and June Wright, Miss June Wright is the secretary. Anyone wishing to forward an immediate donation to this very worthy cause may send it to "The Minden Old Boys' Educational Foundation" in care of Miss June Wright.

Calling all Old Boys and Girls of Minden School. Keep Friday, June 26th open for a great get-together. The admission fee of 50c will go in to the fund.

THE WEEKLY ROUNDUP

The Salvation Army have purchased the home of Mr. Glen Austin which will be used to house the staff of the local corps. This will be a great improvement over the present cramped corps quarters.

Friends of Mrs. Jack Kellett of Haliburton will be sorry to learn that she is at present in a Hamilton Hospital undergoing surgery. We wish her a speedy recovery.

Nine members of the Haliburton Band were in West Guilford on Wednesday evening when they assisted the Minden Band in staging their Variety Show.

We are informed by Mr. George Brennan, proprietor of the Highland Crafts Shop that he intends to enlarge his place of business and will move it out closer to the highway. In view of the close

proximity of the new High School this looks like a good move.

PARK TURNED INTO A SPEEDWAY NOT SAFE FOR OUR CHILDREN

We have heard complaints of motorists using the Haliburton Community Park as a speedway. These grounds serve as the playgrounds for the children of this community and if some of these car drivers do not mend their ways they will find themselves in trouble.

Dysart Home and School Assoc.

Monday evening, May 25th in the Haliburton High School the first annual meeting of Dysart Home and School Association was opened with the singing of "O Canada," followed by The Lord's Prayer. The Home and School Creed was read by Mr. Ken Plourde, and the minutes of the organization meeting were read, by way of review.

Reports by the President, Secretary and Treasurer were read and adopted, the treasury having a balance of \$82.73. Reports of the Committees Conveners were read and adopted, followed by the report of the nominating Committee presented by Mrs. Lester Walling, due to the illness of nominations convener, Mrs. Harold Black. The nominees were as follows, and due to only one acceptance for each office, the rule of the ballot was suspended by a motion.

President—Mrs. Bruce Henry
Vice Presidents—Mr. William Emmerson and Mr. Ken Plourde
Treasurer—Mrs. Lou Consky
Recording Secretary — Mrs. Norm Roberts
Corresponding Secretary — Mrs. Cliff Inglis

Executive Members—

Mrs. Lou Roberts
Mrs. Holly Sisson
Mrs. Boyd Austin
Mrs. Wilfred Holland
Mrs. Carl Hussey

Mr. Thayer then installed the officers in a brief ceremony.

Mrs. Bruce Henry then resumed the chair and thanked the members for placing their confidence in her for a nother year, and promising to uphold the high ideals of the organization. She reminded the meeting that the executive must yet appoint committee conveners for next year, and requested all members to be willing to help serve on committees when requested. A delegate to the Leadership Training Camp has yet to be appointed, and those who would be free to go to the camp for three days in June with all expenses paid were asked to contact the president.

The meeting was reminded of the approaching county-wide Music Festival to be held on Friday, June 5th, at the Curling Rink, and all parents were urged to attend if possible. Mrs. Russell Neville volunteered to look after pre-school children at the grounds for the mothers, and Mrs. Bert Curry was appointed to form a committee to look after sale of lunches near the rink.

The meeting was then turned over to Mr. Jim Johnston who gave a very interesting series of pictures of Coronation Ceremonies and Regalia. The meeting closed with singing the National Anthem, followed by a social half hour over the tea-cups.

Commercial Section of Chamber of Commerce Meet

On Friday last, a meeting of the Commercial Section of Haliburton Highlands Chamber of Commerce was held at Haliburton Community Hall with twenty three merchants present.

President Harold Proctor gave the meeting a description of the Chamber's activities and its policy of promotion.

A committee of eight members were appointed, 4 from the eastern and 4 from the western sections of the county. They have the authority to nominate 2 members as representatives to the Central Executive; one from each section.

The eight appointments are as follows: Ken Currie, Ron Curry, Lou Consky, Len Bates, Harold Black, Harold Morgan, L. Walling and Russell Dart.

Various items of general interest were discussed, such as standard holidays, credit restrictions, closing hours and membership drive.

Mr. Charles Tyler of the farm group and David Edwards of the tourist group gave a short talk to the meeting expressing their view points on these matters.

The meeting tendered a vote of thanks to President Harold Proctor for his untiring efforts on behalf of the Chamber.

Mrs John Freeman Killed by Truck

MINDEN May 28th — The townspeople were stunned on hearing of the shocking accident which took the life of Mrs. John Freeman. She was helping a neighbour, Mr. Reynolds move his light truck out of his garage. The garage is upon an incline on the left side of the Bobcaygeon Road just opposite the 'Nelson Rogers' place.

Stones were placed to stop the truck when it got just so far; but for some unknown reason it moved to the side of the stones. Mrs. Freeman who was helping from the back saw what was happening and tried to save herself by holding on. Mr. Reynolds, seeing the truck in motion opened the door but was thrown on attempting to get in.

Gaining momentum, the truck careened across the highway, throwing Mrs. Freeman to one side then down to the bottom of the gully where it was badly smashed.

Dr. Carroll of Haliburton was called. His opinion was death from shock.

Mrs. Freeman's body was moved to Welch Funeral Parlor's then to MacDougall and Browns 1491 Danforth Ave., Toronto. The funeral was held Monday, June 1, at 2 p.m. with interment at St. John's Norway.

Mr. and Mrs. Freeman bought the home formerly owned by Mr. Holly Stevenson when Mr. Freeman retired from his work in Toronto two years ago. She was very fond of flowers and spent much of her time in the garden. At the time of the accident Mr. Freeman was in Toronto seeing about the purchase of a cultivator to make her work less arduous.

Coronation Day Celebrated In Haliburton

People from all parts of our county flocked into Haliburton on Tuesday morning last to take part in the Coronation Services held in that village.

Proceedings got underway shortly before 10 a.m. when a large parade of Legionnaires members of the L.O.L. 975 the Brownie Pack and school children took off from the new Legion Hall. The parade was headed by the massed bands of Minden and Haliburton. The parade halted long enough at the cenotaph to enable that grand old veteran A. G. Scholfield to place a wreath on the monument.

The parade then returned to the Legion Hall where an exceptionally large crowd gathered to take part in the Coronation Service which was in charge of the local Ministerial Association.

Comrade Lloyd Coneybeare President of the Canadian Legion Haliburton Branch acted as master of ceremonies and in a few well chosen words welcomed the citizens to the new hall and reminded one and all of the reason for which they were observing this occasion. Among the clergy who took part were Rev. M. Cathcart, Rev. E. A. Lorimer, Rev. T. V. Rutherford, Rev. D. Nelson and Rev. Lorne Schmitt of Haliburton and Stuart Wilson of West Guilford. Rev. Schmitt who delivered the address on behalf of the clergy. In his address quoted remarks made by our Queen & President Eisenhower who are ever ready to seek divine guidance in meeting the heavy problems with which they are faced.

Reeve Harold Black was then called on and expressed his pleasure at seeing such a splendid gathering he also paid high tribute to the members of the Minden Band who so kindly came up to assist the Haliburton Band and expressed the hope that these

bands would get together more often in the future.

Reeve Black then introduced the main speaker a man who he said needed no introduction in Haliburton namely Mr. C. W. Hodgson, M.P. Mr. C. W. Hodgson said that it made him proud of the citizens of this county who had gathered in such large numbers to join in the celebrating of the crowning of Queen Elizabeth II. He gave a most informative and interesting address on the history and meaning of the Coronation Service and reminded us that our Queen was the symbol of everything that was highest and best. Queen Elizabeth he said was well worthy of her exalted position as ruler of the great British Commonwealth of Nations which might well boast of the most democratic form of government yet devised.

During the service a choir made up of young girls sang "The Lord's my Shepherd".

The huge audience led by the Brownie Pack repeated the Oath of Allegiance in unison and the service was concluded with the singing of God Save the Queen.

C. W. HODGSON, M.P.

Speaker at Haliburton Coronation Celebration.

Card of Thanks

I want to thank the doctors and the nurses of the Ross Memorial Hospital, for their kind assistance to me while I was a patient there. Also for the host of get-well cards I received, the lovely flowers from the Lochlin L.O.B.A., the box of treats from different neighbours at for the help that was given from different neighbourss at the home here such as sending baking, doing the washing and other household things. All these were very much appreciated by both my husband and I.

A helper in the time of need.
Is a friend indeed.

May God bless all these dear people.

The way He blessed me with strength through my operation.

Mrs. Edward Carpenter,
R.R. 1, Minden, Ont.

Mrs. Freeman shall be sorely missed.

Besides her husband she leaves one son, John Thomas of Toronto and a daughter, Mrs. T. Bradley of Minden.

The sympathy of the whole community goes out to the family in their bereavement.

Ward's Enlarge Their Premises

Ward's Auto Body are making extensive alterations to their premises. The present plant has been enlarged with the construction of a new paint shop.

Having an eye to the future this progressive firm is also erecting a smart new grill and snack bar.

CARNARVON

Visitors to Toronto to view the Coronation on Television were: Mrs. Gordon Allcorn, Mrs. Jack Gregory, Joan Gregory, Mrs. Bud Medley, Mrs. Albert Hussey and Miss Phyllis Windsor.

Mr. and Mrs. M. B. Windsor motored to Belleville on Thursday to attend the funeral of Mr. Windsor's cousin

Misses Judy and Marilyn Toye spent the weekend with Mr. and Mrs. Ed Harrison at their cottage on Boskung Lake.

Mr. S. Nesbitt was a business visitor to Toronto on Monday.

Mr. and Mrs. Orville Harrison and children were visitors in North Bay on Sunday.

Mr. and Mrs. S. Russell opened their Snack Bar this weekend very beautifully decorated for her Majesty's Coronation.

Dr. FOSTER GRAHAM addresses**150 Guests**

The opening gun was fired last night by Dr. Foster Graham, Liberal candidate for Victoria-Haliburton-Ontario when he addressed one hundred and fifty guests at a testimonial dinner tendered to him in St. Andrew Church, Lindsay, on Thursday evening.

Sponsored by the North Ward Liberal Committee, headed by Mr. George Keith, veteran high school principal, this banquet served notice to all that the Liberals in Lindsay are active and on the march.

In his remarks Dr. Graham stressed the value of sane and responsible leadership, ever present in the Liberal party, and reiterated that this group was truly a National party and the only one capable of forming the next administration. Reflecting on conversations he has had in recent weeks with persons of varying political creeds, Dr. Graham said that it was most encouraging to find a common opinion among all that the Liberals would form the new government in Ottawa.

Urging his listeners to carry the torch of Liberalism with a proud spirit, he said it was of paramount importance to convey the truths of democracy to the youth of to-

day who will carry on in their due time, the responsibility of their forebears.

Following Dr. Graham was Frank Follwell, Liberal M.P. for Hastings South who enumerated the accomplishments of the previous Liberal governments in Ottawa.

(a) The Family allowance act which Mr. Drew stated to be "the most iniquitous piece of legislation ever enacted"

(b) The old age security act which to people over 70 years of age represents their dividend on their investment in the development of Canada. This too he said was bitterly criticized by the opposition.

(c) The National Labour relations act, The National Employment Insurance Fund The National Health grants The North Atlantic Treaty Organization developed and brought into fruition by Mr. St. Laurent.

Dwelling on the theme that in the last 60 years the Liberal party had formed 11 governments under 3 leaders, the Tories had formed 3 governments and had 11 leaders. "Must we trust the administration of the affairs of this country to an irresponsible group whose only policy is to smear and slander what has, and is being accomplished by the government headed by Mr. St. Laurent?"

Mr. William Newman of Lorneville who represented this riding in provincial legislatures for many years, moved a vote of thanks to all. Veteran of many campaigns it was evident to his listeners that his oratorical talents and physical capacities have been little dimmed by the passing years.

Among the head table guests was Reeve Richard Butler of Lindsay and Vincent Fee, Warden of the County of Victoria, both of whom expressed their support of the candidate.

Women's Teachers Federation Meeting

The Spring Meeting of the Haliburton Women's Teachers Federation was held on Wednesday night, May 20, in the Minden Public School with 25 members in attendance.

President Mrs. Celia Brown conducted the meeting which proceeded with the reading of the minutes by Secretary Miss Lois Robertson. Following the preliminary business of the meeting a report was read by the Nominating Committee naming the Executive for 1953-54 as follows:

President—Mrs. Fielding
1st Vice Pres—Mrs. Shaver
2nd Vice—Lois Robertson
Secretary—Audrey Chase
Treasurer—Mrs. Woodcock

The meeting proceeded with Mrs. Ogilvie reporting quite fully on the Federation at Bancroft. She set forth Meeting which she attended various teacher problems as discussed at this meeting.

Mr. A. Stouffer, Haliburton Public Schools Inspector, was called upon and gave a talk on School Supplementary Reading. He pointed out that, although many children appeared to be poor readers because they could not master the words and thought in combination still they should be more than ever encouraged to read by

provision of such books that they could understand and read easily. If the child were forced to struggle through subject matter which he could not understand then discouragement would quickly follow his inability, reading would become a tedious bore to be avoided whenever possible, and the very interest which reading was designed to create would be destroyed. He went on to outline to the teachers several methods by which the child might be encouraged to read.

Miss Howard then delighted the audience with her motion pictures in colour of Haliburton County and this was followed by a delicious lunch served by the teachers of the Minden area.

Why Dirty Streets?

Two or three times throughout the year, the worthy "town fathers" of the villages of Haliburton and Minden open their eyes wide enough to see the dirt, grime and litter that lies deep on the streets and have a clean-up.

If the two towns were situated at some distance from water and if they did not possess the necessary equipment for keeping the streets in a clean condition, we could understand why the streets were being left in such a deplorable state. But Haliburton is situated on a lake and Minden has a river running through the centre of the town and they both have pumps, hose and other equipment to do the job.

A dirty town is an unsightly town and a dirty town is an unhealthy town. A dirty town is a mighty poor way of advertising the district as a tourist centre.

The merchants cannot wax poetical over the beauties of the villages when their merchandise is covered with dust and grit blown in from the streets.

Surely the councils of the municipalities can give a little more time and attention to keeping our streets in a cleaner condition.

Assistance For Ambitious Youth

In the past, many a bright and ambitious young student in the county has had to forego a higher education due to financial circumstances. This has been a most unfortunate situation for many a former student of our schools. We have in our midst today many young men and women who through no fault of their own are now earning a precarious living at any sort of job they can find, but who, if assistance had been forthcoming at the time when they had to leave school due to lack of funds; would now probably be in the professions or holding down responsible executive positions.

To correct this condition and to lend assistance to ambitious students in the Minden Area, a fund is being set up, to be known as The Minden Old Boys' Educational Foundation. The object of this foundation is to provide a source of available funds for the secondary school graduates of the Minden Area who wish to continue their education. This is a very worthy undertaking and showed investment can we make than in the youth of our county? have the wholehearted support of all citizens. What better There is no better investment. The youth of today will be the leaders of tomorrow. Only a higher education can fit them for the big jobs that lie ahead.

The citizens of Minden are to be congratulated on instituting this very necessary foundation.

Presidents Report —

The Dysart Home and School Assoc.

The past year of being president of Dysart Home and School Association has been a stimulating and gratifying experience, and I would like to thank the executive for their splendid co-operation and hard work which has made our achievements possible. I would also like to thank the teachers who have given us so much help in our various undertakings.

Thanks are also due to the Rotary Club who have supplied us with their projector on many occasions, and to the local community council for their co-operation, and also the local newspapers which have always been most generous in their columns with publicity for the Home and School.

It has been a year of beginnings, and has not been without its trying moments and difficulties, but these just serve to spur us on to give better services, and a broader understanding of the aims and objectives of Home and School as laid down in the constitution by the Ontario Federation of Home and Schools, and our creed.

I have found when difficulties or differences in opinion occurred, that when both sides of the difficulties were fully aired and discussed a solution immediately appeared; which fact makes it plain that most disagreements in a community are the result of lack of complete knowledge and understanding of the full facts.

During the past year we have added our small voice as an organization, in a resolution to the Ontario Federation in demanding better laws in the Ontario government concerning the safety of school buses in traffic on our high ways.

We have furthered parent education in presenting movies of Child Behaviour, and have taken an active interest in seeking talent among our school children by sponsoring a Community Concert and a Hobby Show. We are endeavouring to organize a boy scout and a cub pack here to further the personality development of our youth. We have had the beginning of a very interesting parent education study group on teen-age problems, and hope for more of these groups for next year.

We hope to send a delegate to the Leadership Training Camp at Lake Couchiching in June, to bring us fresh enthusiasm from discussions and fellowship with Home and School workers from all over Ontario. We are grateful to the officers of the Ontario Federation for their ever ready help whenever we have called upon them for assistance.

The past year has been one of establishing our proper place in the community and establishing proper public relations. With this foundation our aim for the future is to have every parent and teacher a member of the Home and School to provide full co-operation between Home and Community that we may produce citizens worthy of their great Canadian heritage.

Marion H. Henry, President.

Letters to the Editor

Editor Haliburton County Echo
Dear Sir:
Would like to tell you interest to your readers, if not will you please return it. that we very much enjoy your paper especially the poems by Mavis Noice. The Minden historical paper was very interesting,

GOODERHAM

Mrs. G. Hadley attended Musical Festival at the Minden Community Centre, also the Women's Teachers Federation meeting on Wednesday evening. Mrs. Hunter, Mrs. Madill and Mrs. Proctor were present from this district.

Rev. Gunter of St. Catharines completed a series of meetings in the Pentecostal Mission. These were very impressive and were well attended.

Mrs. William Maxwell visited her daughter Mrs. L. McGouhey at Peterboro.

Some visitors this weekend were Mr. and Mrs. Murray Madill and family, Mr. and Mrs. Allan Madill jr., and family of Peterboro; Mr. Moss Madill, Islington also Mr. and Mrs. J. M. Prentice and family of West Guilford; From Marmora, Mr. and Mrs. J. Morrison; from Belleville, Mr. and Mrs. S. Maxwell and son Jerry of Edmonton, Alberta.

Wilberforce, Mr. and Mrs. Percy Casey; from Toronto, G. Maxwell; from Allsaw, Mr. and Mrs. B. Mintz and Brenda; from Oshawa, Mr. El. Johnston, B. Traviss, Mr and Mrs. A. Traviss.

The funeral of the late Mr. Angus Graham was held from the United Church on Tuesday afternoon with Rev. McFarlane of Kinmount officiating in his ever pleasant sympathetic manner to give comfort to the sorrowing widow and son Bruce.

Mrs. Roland Staley was the pianist.

Flowers adorned the casket showing esteem and respect.

The pall bearers were Messrs. J. Pickens, William Donell, J. McCall, T. McCall, W. Billings and P. Gunn. Interment was at Gooderham Cemetery.

Mr. Graham's death a week ago in Ross Memorial Hospital followed an accident to him on the Highway. He was of a quiet reserved disposition in his 67th year, and adhered to the Presbyterian faith.

He was a veteran of world war one where he was honoured. He was a member of the Mt. Dennis Legion and was a retired mail man from Toronto. Sympathy is extended to the bereaved family.

Card of Thanks

We would like to thank our neighbors and friends of West Guilford and Haliburton who helped with the fire at our barn during the bad electric storm of Thursday night.

Paper Read at Norland W.I. March Meeting

Everything, except eternal time and a circle, has to start from some point, for this record I am going to take the year 1888 for my point. We who are senior members were around then and so it does not seem so long ago. Thirty years before that date, in the late fall, Mr. Denehy. The provincial surveyor established the boundary of Laxton township. The country was pretty much as the Indians had left it except that the choicest of the white pine had been cut and sent to England for masts for the British Navy. The forests at that time were of mature trees. For centuries the tall trees have kept out the sunlight and smothered the undergrowth. Much of my father's day said it was all an immense park covered with a thick soft carpet underfoot. They said that a man carrying a canoe on his shoulders, as was customary then, could walk between the trees without difficulty. The only road was the one used by the lumbermen, to take their timbers to North Bay on Balsam Lake, and the trails leading off it into the forest where trees had fallen.

The spring following the survey a number of families from Manvers came to Head Lake and started clearing land and building homes. They were interested in farming and the black soil under the trees looked so fertile. It was fertile too. While it lasted. The crops grown for a few years were legendary, but the soil was a shallow layer of decayed vegetation over the limestone rocks and with the protection of the forest gone, erosion took the soil and one after the other the farms were used for pasture. The soil under the hard woods of course was deep and is still productive.

About the time the Manvers people came to Head Lake a lumberman from Oakwood with several of his neighbors came to Norland and built a sawmill and a little settlement around it. For a time it was known as McLaughlin's Mills. Trails were blazed and cleared between the two groups and in a short time settlers had their little clearings and log homes in every part of the township. A couple of years after the first settlers had come a municipal council had been elected. Schools were being built and a reciprocity treaty with the United States allowed timber not suitable for export to England to be marketed there. There were about five prosperous years for those earliest settlers. With all the venison, fish and partridge they would want, Maple syrup and sugar and abundant crops wherever a bit of garden or field was planted. The work was hard, with scythe and cradle and flail for implements while the work indoors was done without any thing to work with more modern than a spinning wheel. The sewing was done by hand, but the same working conditions were prevalent in every country.

The summer of 1864 was one of disaster for all this part of the country. Frost destroyed the vegetables and all during harvest time the rain fell so continuously that the grain sprouted in the stooks, bread made from it was dark, sweet and sticky. The lumberman who had hired the men for his lumber camps and who had bought the logs from the settlers had all his lumber seized before he sold any to pay his men and to cap all this disaster the treaty with the United States ended and congress re-

fused to renew it, cutting off that market for timber.

The Civil war in the U. S. was being engaged at that time and a tense situation between England and the U. S. had developed. The Canadian government remembering the attack on Canada in 1812, had a road surveyed across Ontario from Lake Couchiching to the Bobcaygeon Road to extend to Ottawa to facilitate the movement of troops and supplies in case of war. The roads already in use had been made for the convenience of the lumbermen and followed along the waterways.

In the spring of 1865 the pioneer settlers were without seed or money to buy any, and at a meeting of the council on April 1st a memorial was drafted to be sent to Lord Monck asking him to start the construction of this, the Monck road to provide a way to earn money for the necessary supplies. They also petitioned him to have the line of road through Laxton and Somerville instead of through Lutterworth township as was one survey.

At this time many of the settlers moved away some of them keeping the ownership of their land others selling to their neighbors, around the little settlement at Oak Hill the farms were deserted one after the other until now there is no vestige of the little hamlet where the first school was built and when the farmers met at their fall fair ninety years ago.

So we may know how much more popular the township was I am listing here the names of the path masters for the year 1888. David Mitchell, George Sharpe, Edward Butterworth, James Mumberson, Murdock Cameron, Hugh Bailey, William Adair, Henry Southeron, William Ward, Wm. Winterburn, Joseph Angus, Robert Kerr, James Hoskins, Wm. Armstrong, Ingoldsby Brown, Thomas Bell, Alexander Sinclair, George Benson, John Grandy, William Bathy, Jas. Kay, William Simpson, Jas. Newman, Mathew Watson, James Wakelin, Edward O'Brien, James Cummerford, Edward Ellison, Walter Gunn, Alexander Boyce, William Gunn. The council that year was comprised of John Bailey Reeve—James Campbell, Lauchlan Matchett, Henry Davey and Francis Reid.

Four years before this the Municipal Council had revised their assessment roll and according to their statement the assessment amounted to \$78,570.00 with that amount of assessable property they issued debentures to the amount of \$25,000 to give that amount to the Toronto and Nipissing Railway Company as a bonus. The railway was to run to Elliot Falls and a boat meet and convey passengers and cargo destined for Minden. The railway ended as we know at Cobocok and those debentures were a burden to the municipality for many years. I understand that not any part of that railway may legally be disposed of.

The railway must have seemed a great convenience to the businessmen and any one travelling in or out of the country—it was a long trip to Lindsay on horse back or on foot and for many years the nearest doctor was in Lindsay. In a crisis he would be beyond reach because some one would have to take a long day to go after him and if he happened to be available immediately it would still take another day for him to reach his patient.

AT REST

Mr. Byron Howe passed away May 21st, 1953, at his late residence at Donald, leaving to mourn his loss his wife Margaret, two sons Frank and Bud of Toronto, and four daughters, Flora Woods and Etta Emmerson of Donald, Nellie Northey of Woodville and Lily Ellison of Toronto.

Card of Thanks

The wife and family of the late Byron Howe of Donald wish to express their appreciation for the many acts of kindness and sympathy extended to them in their recent sad bereavement.

Thanks also to Rev. Cathcart for his lovely and consoling message, to Dr. Carroll, and to Mr. Cliff Kellett who so kindly loaned his loud speaker, and to all who sent messages, cards, and floral tributes. A special thanks to Mrs. Bill Cowen and Mrs. Cecil Harrison who gave so much of their time and energy to help us during his illness and to Mr. A. Kaye for his kindness and help.

ENGAGEMENT

Mr. and Mrs. Fred Reynolds of Haliburton announce the engagement of their daughter Barbara Ellen to Wilford Ross Barry only son of Mr. and Mrs. Arthur Barry of West Guilford.

The marriage will take place on Friday, June 12, at Minden.

Card of Thanks

The family of the late Mrs. George H. Sears wish to express their sincere thanks to all those who were so kind and helpful during her short illness and sudden passing.

OBITUARY

LATE MRS. SEARS
BURIED FROM SAINT
PAUL'S ANGLICAN

The news of the sudden death of Etta, beloved wife of George H. Sears, Minden, came as a shock to the people of this vicinity on Saturday, June 4th. Mrs. Sears, daughter of the late Mr. and Mrs. Harry Hobden, was born in Minden Township, on the Hobden homestead, on June 14th, 1886. In 1907 she was married to George H. Sears, also of Minden. After fourteen years on the farm she spent about twenty years in the Dominion Hotel and her remaining years at her late residence.

Left to cherish her memory are: her husband, one son, Harold of Dorset, one daughter, Mrs. Oscar Henderson (Evelyn) of Haliburton, one son, Milton of Minden. Six grandchildren and one great grandchild; also three sisters, Mrs. Tom Cowen (Elsie), Mrs. Wm. Bell (Sylvia), Mrs. Nicholas Ball (Olive); three brothers, Clayton, Allan and Clare Hobden, and many other relatives and friends.

The many floral tributes and friendly visits showed the high esteem in which she was held by the entire community.

After a brief service at the home the funeral service was held at St. Paul's Anglican Church, Minden, at 2 o'clock on Monday, May 25th. Reverend Ross Woolley conducted the service.

The pallbearers were: three brothers, Clayton, Allan and Clare; and three nephews, Harry Cowan, Jack Bell, and Jack Ball.

Interment was in Minden Cemetery.

Minden Rotary

June the last month of the Rotary year finds Lawrence Pritchard in the program chair and he commenced the month with Rev. M. J. Cathcart of Haliburton as the speaker of the evening.

Our meeting being on the eve of the Coronation Mr. Cathcart made reference to the event and deep religious significance and that was the Queen dedication of her life to the service of God and her people. Using this as his cue he drew out the necessity of us as individuals to rededicate our lives to Christ in service and uplift of others, or in other words we should be transmitters and if not we do not live up to our Christian responsibility.

After the regular meeting he showed a number of colored slides made from pictures he had taken on a trip last Fall in Mexico.

WEST GUILFORD

The electric storm of May 19 struck at the barn of Bert Boice, setting fire to a pile of dressed lumber which was stored there. Bert and Ethel were at the show in Haliburton at the time, but a car from Huntsville noticed the fire in passing and called for help. Cliff Henderson, the next door neighbour soon had the fire under control with the help of other neighbours who arrived in a matter of minutes. The fire truck summoned from Haliburton also arrived on the scene later. The wind also caused some minor damage around the neighbourhood blowing off a window at G. Schell's and felled several

Mr. and Mrs. Wilbert Upton spent the weekend with Mr. and Mrs. Charlie Fader.

Mr. and Mrs. Ray Jones and Roger of Toronto, spent the weekend here.

Mr. and Mrs. Harold Little and family visited with Mr. and Mrs. Arthur Cooper on Sunday.

Mr. and Mrs. Royce Packard are spending a few days with Mr. and Mrs. James Packard.

Mr. Cecil Morrison of Toronto was home over the weekend.

Mr. Howie Thompson is in Toronto at Malton Hospital undergoing treatment for his arm.

Mr. and Mrs. Jack Morrison and family, Mr. and Mrs. Howard Morrison and family and Mrs. Charlie Morrison of West Guilford motored through the Algonquin Park on Sunday.

trees. The hydro was off for a short space too.

Members of the Community Guild were busy battering down things at home and none made the meeting except Mrs. A. Sisson.

Tourists continue to flock into this district. We notice an increasing number of American licences. Mrs. Forsythe is at Redstone Lodge again ready for a busy season. Some of the quests last week were . . . Mr. and Mrs. Davis and son Tommy of Youngstown, Ohio; Mr. Chas. Bomford of Oshawa, Mr. Duncan Calhoun, of Toronto.

Mr. Bert Ross of Buffalo was at his cottage on Little Redstone, from May 10 to May 17. Mr. Joe Mendrus, one of the Ross party, from New York city, arrived by plane. The surface of Little Redstone was a bit too choppy for a safe landing so the pilot returned to Big Redstone to make a safe landing and was met by Bert Boice by boat. Mr. and Mrs. Bert Boice and Jack Henderson acted as guides for the Ross party. We hear that the fishing was very good. At Kenesis this week are Mr. Garber of Buffalo, Mr. Al Borne and Mr. W. Gibbs also of Buffalo.

At Marsh Lake are a party from Beamsville and vicinity some of the guests—Mr. and Mrs. Victor Book, Mr. and Mrs. Hugh Schneider, Mr. and Mrs. Hodgins.

Mr. and Mrs. Douglas Book are returned from their honeymoon and are living in their new home on the farm near Beamsville.

At the dance for the bowlers at Medley's on Friday were Mr. and Mrs. Ross Pritchard, Mr. and Mrs. Ken. Plourde, Mr. and Mrs. Bill Smith, Mr. and Mrs. Adrian Cooper and Loyde Priest.

BUILDING AND RENOVATIONS AT U. of T. CAMP AT GULL LAKE

Things are astir at the
U. of T. Camp, preparing for
this year's students.

There is quite a program
planned and when carried
out, should make a wonder-
ful improvement.

There are to be extensive
repairs to the Bunk House
including re-inforced sup-
porting pillars.

A new wash room is to be
constructed at the end of
the Bunk House. It will con-
tain showers, flush toilets,
wash basins and a propane
gas water heater.

What a boon for the boys!

The cookery is not over-
looked. Working conditions
there are to be greatly im-
proved. No longer shall the
cooks be plagued with power
failure at meal time.

A handsome new gas stove
with two ovens and a gas
water heater are to be in-
stalled — what a boon for the
cooks!

per in the Parish Hall on
August 19th.

A FISH STORY

Here's one for the books—
We have never heard of such
a thing, John Rockory, who
sold them the bait has never
heard of it either.

Are you listening? Here it
is: At Twelve Mile Bridge 3
fishermen from Sarnia
caught 12 white fish in one
hour using spinning reels
with a "Williams Wobbler".
On top of that they drove to
Gull Lake and at the mouth
of the River pulled out four
beautiful speckled trout.

(Continued from page 4)

After the railway was built
to Cobocok there was the
convenience of the telegraph
wires and quicker transporta-
tion. The first train puffed in-
to Cobocok in the fall of
1872, arriving on Saturday
and starting the scheme it
run on for so many years
the following Monday.

Since then in 1902 a group
of people recognizing the ad-
vantages of good literature
started a library of which
we have every reason to be
proud. There are few com-
munities with better books or
better readers.

In 1907 the men got to-
gether and put up a tele-
phone line connecting it with
the Bell Telephone System
and in 1931 the Ontario
Hydro Electric Power Com-
mission contracted to serve
us. So here we are with our
modern conveniences—It is
almost impossible for us to
believe that less than a hun-
dred years ago people who
used matches carried with
them a bottle of liquid to dip
the match stick into to make
it ignite. In 1855 matches
were made that could be
lighted by scratching on a
rough surface but it was
some years after that they
came into general use. With
our electric light we forget
about the candles our moth-
ers made and used. Imagine
the prickly woolen stockings
that were worn under the
long skirts and we know
bare legs would not be toler-
ated. Salt that we use so
thoughtlessly now, was priz-
ed beyond our belief. It was
the one necessity there was
no alternative for and in the
early days it had to be car-
ried long distances besides it
was quite expensive.

A Mr. Rumney gave the
acre of land for the ceme-
tery and men of the com-
munity cleared it using some
of the logs taken on the lot
to fence it. There are some
markers dated 1864, but
that is the earliest date I
have found. The cemetery
has had more land added
twice since. This is Norland's
Pine Grove Cemetery.
